BHARATHIDASAN UNIVERSITY: AN INSTITUTION SHAPING YOUNG MINDS INTO ELEGANT VISIONARY

Bharathidasan University, established in February 1982, named after the great revolutionary Tamil Poet, Bharathidasan (1891- 1964), with the Motto, "We Will Create A Brave New World," reflects Bharathidasan's poetic expression: “புதியதோர் உலகம் செய்வோம்;”. The institution passionately strives to realize its Motto by creating a vibrantly total learning/doing/transforming academic ambience and research atmosphere in the region/ nation for shaping the young minds into elegant visionary to see the vistas of a Brave New World of creativity, invention, innovation and entrepreneurship; and to acquire/direct intellectual, emotional and productive skills to build economic, cultural, social, national and global development paradigms. Bharathidasan University's Vision is pursuing excellence in teaching, learning, research, and extension of knowledge. The emphasize is on delivering Excellence leading to PRIDE as 'Pride Resonates In Delivered Excellence'.

Tiruchirappalli, the location of the Head-quarters of the University is a City of Serenity- Divinity- Activity- Antiquity- Modernity, having recorded history from the 3rd Century BC beginning with epoch-making 'Cholas' and other dynasties. Bharathidasan University (BDU) has great Institutional synergy to benefit with reputed neighboring educational institutes and industries of regional and national importance. Logistics is laudable with Road-Rail-Air connectivity, across the country and the world. Eco-environment with Cauvery-basin is fine, sporting rivers- lakes- farms- fields. The Campus sports a wide variety of diversity exhibiting a diverse flora-fauna.

Envisioned Roles: Excellence is doing the right things in the right way, first-time and every time, ahead of others. University has the following envisioned roles:

- i. To dedicate itself as the trendsetter in taking higher education in Arts, Fine Arts, Science, Technology, Humanities, Business and Education to all sections of society at affordable cost with good learning ambience and the state- of-the-art infrastructure.
- ii. To assume itself the responsibility of an Institution of Eminence in research - pure and applied, so that knowledge and skill of superior kind are developed, disseminated and translated into patents, industrial designs and other IPRs.

Twin Campuses : The University has two campuses: one Main Campus at Palkalaiperur and another City Campus at Khajamalai. The Main Campus, located at Palkalaiperur on the Tiruchirappalli-Pudukkottai-Rameswaram National Highway, houses Administrative and Department buildings, Central Library, Sports Complex, Bank, Post Office, Canteen, Health Centre, Staff Quarters, Guest House and Hostels. Khajamalai Campus houses selected Departments, IECD, MMTTU, Library, BUTP, Hostels and a few more entities.

Faculties, Departments and Related Entities : The University has 4 Faculties, 16 Schools, 39 Departments and 29 Specialized Centres. All the Departments and the Research Centres are offering programs at different levels – UG, PG, Integrated PG, PG Diploma, Diploma, Certificate, M.Phil. and Ph.D. The teaching programs are offered under the Choice Based Credit System (semester pattern) with adequate flexibility and freedom to the students. The Centre for Distance and Online Education (CDOE), offers DEB-UGC approved Distance and Online Learning UG and PG programs.

Extension Services : Extension services are rendered to community, especially to the under-privileged by many Departments and Centers including the Institute of Entrepreneurship and Career Development (IECD), Departments of Social Work, Women Studies, Centre for Social Exclusion and Inclusive Policy, Continuous Ambient Air Quality Monitoring Station, Centre for Differently Abled Persons, YRC, NSS, NCC, Campus Clinics, etc are commendable.

Extra-mural Fund Support - RUSA : Almost all Departments are carrying out Research Projects under the Rashtriya Uchchatar Shiksha Abhiyan (RUSA), a Centrally Sponsored Scheme (CSS), launched in 2013 aiming at providing strategic funding to eligible state higher educational institutions. The funding, in the ratio of 60 : 40 (Central: State Governments) for general category States, would be norm based and outcome dependent. The funding would flow from the Central ministry through the State Governments/Union Territories to the identified institutions. The funding to States would be made on the basis of critical appraisal of State Higher Education Plans, which would describe each state's strategy to address issues of equity, access and excellence in higher education.

SPORTS AND GAMES : The Sports Facilities include a good gymnasium with multi-gym facilities and a yoga centre, an indoor stadium and a standard 400 meter athletic track with the facility to conduct all the field events. University teams have won National, Southern Zone and

State level medals in the recent past, adding to those already won in earlier years. University is conducting mega Tournament among all affiliated Colleges.

SPIRITUALITY AND YOGIC SCIENCE (CSYS) : Establishment of "Centre for Spirituality and Yogic Science" (CSYS) in Bharathidasan University marks a great beginning with aims to imbibe human values among students and research scholars through our traditional system of yogic science. Regular activities abound. Further the Centre is aimed to validate the yogic practice scientifically and made these documents available globally for everyone.

LIBRARY: The Central Library of the University has a good collection of books and e-books in addition to a large number of Journals and Audio-Video cassettes. The library has INFLIBNET and DELNET facilities. The UGC INFONET facility helps the users to access more than 10,000 e-resources including thousands of e-journals. Through the digital library of the University, the students and faculty members can have access to back volumes and electronic books. The library provides open access system for all the users such as students, research scholars and teaching faculty with self check-in and checkout RIFD enabled drop box and 24 X 7 Garden Library and Kids Corner. In addition to the central library, all the Departments have their own libraries.

HOSTELS : There are nine hostels in the two campuses of the University. Among them, there are two hostels for Research Scholars (one for men and another for women), four hostels for boys and three hostels for girls. Out of nine, two hostels are located at the Khajamalai Campus and all the other hostels are at the Palkalaiperur main campus. Similarly, all the hostels have Wi-Fi facility. The hostels are equipped with modern kitchen and dining facilities, adequate water facility, recreation centre, play grounds and reading rooms with television, newspapers and magazines. Hostel facility is offered to the students who are residing minimum 40 kilometers away from the University. As per the UGC norms, necessary steps are taken by the Anti- ragging Cell to prevent ragging on the campuses.

PLACEMENT AND TRAINING CELL : Every year Job Fairs are being conducted regularly by the Placement and Training Cell. In 2024-2025 around 634 students had been placed in several leading companies with an average salary of Rs.2.00 lakhs per year.
