**ON**

**E-CONTENT DEVELOPMENT FOR  
DISTANCE EDUCATION (E-CDDE-2023)**

**21<sup>st</sup> APRIL 2023**

**Department of Education  
Centre for Distance and Online Education  
Bharathidasan University  
Tiruchirappalli - 620024  
Tamil Nadu, India**

### Bharathidasan University

Bharathidasan University established in February 1982, and was named after the great revolutionary Tamil Poet, Bharathidasan (1891-1964). The motto of the University "We will create a brave new world" has been framed from Bharathidasan's poetic words "புதியதோர் உலகம் செய்வோம்". The University endeavours to be true to such a vision by creating in the region a brave new world of academic innovation for social change. The University has totally 4 Faculties, 16 Schools, 37 Departments and 29 Specialized Research Centres.

There are 179 faculty members catering to the needs of 2564 students and scholars in the University. The University Departments/Schools are offering 151 programmes including 40 PG programmes in M.A., M.Sc. and M.Tech. The above programmes are conducted under the Choice Based Credit System (CBCS) in Semesters: 33 Ph.D., 19 P.G. Diploma, 11 Diploma and 10 Certificates. The University's supporting staff strength is 457.

### Centre for Distance and online Education

The Centre for Distance and online Education (CDOE) of Bharathidasan University was established in the year 1992 to serve the aspirant students of eight districts under the jurisdiction of the University who could not enter the regular college for higher education. The online education programme has been implemented from 2021 onwards at the CDOE.

### Department of Education

The Department of education is offering B.Ed programme through distance mode from 2006 Onwards date in a very successful way with full fledged faculty members as per NCTE regulations. This National workshop is organized by the Department of Education, CDOE, BDU as an academic activity of all the Distance Education Programmes run by the Centre for Distance and Online Education, Bharathidasan University, Trichy.

### Theme of the Workshop

Distance education is extremely advantageous for students who wish to pursue their higher studies

without affecting their nature of work. These programmes may be taken up by people who stay at remote places. The biggest advantage of distance education in the modern world is that these learning programmes provide flexibility to the learner to continue with their studies without compromising with the quality of education and the course content.

It is used extensively in places where students are scattered over distant geographical areas that would otherwise prevent them from attending classes. Education is an important commodity and the Internet has broken many barriers to provide education to people who would not otherwise get the opportunity to get education.

The prime focus of this National workshop is on how we could develop our entire society as cultured and civilized through distance education with the help of E-Content development for distance education learners without affecting their nature of work. It allows any age group to equip academic qualification in their own choice of discipline.

### Objectives of the Workshop

The following are the objectives of the national workshop:

1. To create awareness on E-Content development for distance education.
2. To generate new ideas in satisfying the present needs of the distance education learners in India.
3. To know the online strategy for Distance Education Programmes followed under the guidance of UGC-DEB.

### Participants

Teachers who are working in distance education, Research scholars, Co-ordinators of the Learner support Centres and Administrators at the Distance Education are invited to take part in this programme.

### Date & Venue

21st April 2023@ Department of Education, Centre for Distance and Online Education, Bharathidasan University, Tiruchirappalli, Tamil Nadu, India
