About the University

Bharathidasan University was established in the year 1982. The University Campus (Palkalaiperur Campus) is located in an area of 250 hectares of land situated at 16 kms away from Tiruchirappalli -Pudukkottai National Highway. The University has number of academic departments and supporting facilities with A⁺ grade accreditation in national level. The IPR cell of Bharathidasan University is organizing this seminar to highlight the importance of Innovation, IPR for economic, social and entrepreneurship development.

About the Seminar

Intellectual Property (I.P) results from creation of the human mind, the intellect. I.P goes through various stages from identification to utilization with emphasis on documentation. The growth of economic market is driven by I.P, and the lack of awareness on the IPR has been a challenge in economic growth. This seminar covers various aspects of IPR and provide an in-depth knowledge of IPR to link the creation and protection of knowledge to improve the quality of life and economic growth. Further, this seminar creates and facilitates a stimulating environment for the development and exchange of ideas besides motivating the participants to develop their innovative skills towards entrepreneurship development. The protection and management of IPR enhances the dissemination of scientific and technological innovations. This is an opportunity for scientists, teachers, students to enhance their understanding of IP and Patents.
